

Harley Street Consulting Rooms

Available at The Westlake Clinic

Boost Your Business by Joining The Westlake Clinic on Harley Street

Harley Street is surely the ultimate address for any therapist/practitioner. However, the huge expense and commitment involved in taking a lease on your own consulting room is often prohibitive.

The answer - join our prestigious clinic & use our consulting rooms on a sessional basis.

If you're just starting your own business or see a small number of clients a month in central London, then why not join the Westlake Clinic. We offer a cost effective alternative to renting your own office space.

In addition to the consulting rooms and at no additional charge, you will also have your own profile page on our website at www.WestlakeClinic.co.uk, which is featured on the official Harley Street Guide, providing you with additional exposure.

Even if you are not based in London, the benefit of practicing in Harley Street should not be underestimated and will enhance your existing practice.

How does it work?

Choose the session or sessions to suit your needs and then practice at the same time slot on the same day every week. Each session is 4 hours in length. Multiple sessions can be taken if required.

Benefits of a consulting room on Harley Street

- Prestigious Harley Street address
- Your own session times to see clients in central London
- Benefits your existing practice due to 'Harley Street effect'
- Advertised on the Official Harley Street Guide
- Attractive, spacious consulting rooms, traditionally furnished
- No long term commitment - Rolling monthly agreement
- Regular 4 hour weekly session for just £238.33 per month
- Additional ad-hoc hours available
- All inclusive fee, no service charge or hidden extras

Take a look at our consulting rooms website at: <http://www.HarleyStreetConsultingRooms.co.uk>

Suitable for a range of therapies

The consulting rooms are ideal for a range of therapies, including hypnotherapy, counselling, psychotherapy, homeopathy, nutritional therapy, complementary therapies, psychiatry, life coaching, doctor's consulting room, etc.

Central location

The consulting rooms at the Westlake Clinic are very centrally located in London on Harley Street, in the most prestigious medical district in the UK. Just a few minutes walk for your clients from Oxford Street. Only 7 minutes walk to Oxford Circus and Bond Street tube stations.

Well Appointed, Light & Spacious Consulting Rooms

The consulting rooms are traditionally furnished to a high standard with mahogany leather topped pedestal desks, leather consultant's chair, visitors chairs, the award winning 'Sling Seat' reclining therapy chair or leather recliner chairs and footstool, a chaise longue, book case and storage space. There is also a treatment table if required.

Terms - We Like To Keep Things Simple

You rent the same room for the same four hour session on the same day of each week. You can choose whichever day you require and choose the morning, afternoon or evening session. Sessions cost just £238.33 per session per month (£55 per week).

Morning Session: 8.30am - 12.30pm

Afternoon Session: 1.00pm - 5.00pm

Evening Session: 5.30pm - 9.30pm

You can book as many sessions as you require (subject to availability). Ad hoc hours are also available to book in addition to your regular weekly session.

You pay monthly in advance by standing order and pay a returnable security deposit of one month's rent. The first month's rent and deposit can be paid by credit / debit card or cheque.

Either party can cancel this agreement by giving just one month's notice.

Note: Renting a session doesn't allow you to use the mailing facility or the 1-7 Harley Street address. We are able to arrange this for you with the owners of the building for an additional charge of £100 per month.

The Westlake Clinic

The Westlake Clinic is well established on Harley Street and offers a range of both conventional medical, alternative and complementary therapies, providing effective help for a wide range of issues.

Your own practice on Harley Street

- Harley Street is a unique address - it has a worldwide reputation for a centre of medical excellence
- Benefits your existing practice due to the 'Harley Street' effect
- Cost effective alternative to renting your own office space
- Own session times to see clients in central London, only 7 mins walk to Oxford Circus
- Therapist's/Practitioner's own profile page on the Westlake Clinic website
- Unlike other consulting rooms that are available, The Westlake Clinic is advertised on the Official Harley Street Guide
- Ideal if you only see a limited number of clients or are just starting out
- Attractive, spacious consulting rooms, traditionally furnished
- No long term commitment - monthly licence, giving you added flexibility
- Regular 4 hour weekly sessions - just £55 per week, multiple session times can be taken if required
- Ad-hoc hours are available in addition to your regular 4 hour weekly time slot
- Very low start up costs, all inclusive fee, no licence fee

Don't miss this opportunity to practice on Harley Street, the most prestigious medical district in the UK, with such reasonable rates of just £238 per month (£55 per week for a 4 hour session) to join the Westlake Clinic.

To book your own session time or for further information, please contact us on 020 7127 5349 or info@westlakeclinic.co.uk.
